We feel justified in saying that our present stock of these goods is the largest and finest now being shown in Chicago.

These Boxes were all manufactured to our order by one of the most celebrated makers of Geneva, Switzerland, and were imported direct from there in bond to Chicago, thus enabling us to offer them at the very lowest prices at which reliable goods can be sold.

These Boxes range in price from $2 to $500, according to size and style, and are especially designed for

Royal, Rich Red Blood.

In this country we are all kings, and we are all entitled to have as good blood as that which courses through the veins of emperors.

There are princes and millionaires, languishing in ballrooms and broken-down bodily health, who would be glad to have the strength of the humblest laboring man.

And there are many people who are neither kings, emperors, nor millionaires, whose blood is thin, whose circulation is poor, who are suffering from lassitude and debility, and who know not the pleasure of a hearty meal nor the enjoyment of being able to do a good day's work.

If such people will put some iron into their blood, they will vitalize and enrich it. They can do this by the use of Brown's Iron Bitters, the purest and most excellent iron medicine ever made. Thousands who were weak, languid, pale, and prostrated, are now happy to say that Brown's Iron Bitters brought them up and gave them new life.

MR. SEA

Admits that shutting the door in the faces of customers seems unmannerly, but necessity knows no law, and at a dozen different times yesterday there seemed no other way of preventing accidents in the crushing rush, and we wish to keep our reputation of having such system that there is never uncomfortable crowding.

The Sale will be continued all the week, and is already recognized as the most stupendous Sacrifice Sale ever attempted.

We will have, must have, and shall have the room to display Christmas Goods by next week, when will occur our Grand Holiday Opening.

We care not what the loss, for our Holiday Trade is, as all know, ten times larger than the combined business of all the Toy and Fancy Goods houses in the city.

Every article in Sea's Six Floors regardless of cost or loss, for unless the stocks are closed out we can make no Holiday Display.

Sensational Sacrifice Sale

CONTINUES THE ENTIRE WEEK.

Remember, all the above applies to SEA'S STATE-ST. STORE ONLY.

SEA'S

Wabash-av. Bazaar

Is crowded morning, noon, and night while the toy stores are deserted.

All the Attractions, all the Gifts, all the Marvelous Displays will be continued every day this week.

Santa Claus gives Elegant Picture Books to all children accompanied by their parents. Freiberg's Popular Orchestra every day and evening. The Live Dolls in the Doll Parlor are the talk of the town. The Art Room is acknowledged to contain the finest Art Wares ever displayed in Chicago, and we are receiving the patronage of the very best class of people. Art Plaques free to purchasers of Fancy Goods. Balloons free to purchasers of Toys. Punch and Judy. The Canary-Bird Dollies. Signor Ferranti, the Ventriloquist. Mons. Joseph, the Magician. The Gas Machine. The Old-Fashioned Fireplace and Mammoth Xmas Tree.

Grover Cleveland was the name of quite a cutting engineer this family.

Eau Claire, Wis., have silver mines, and hopes to become a second Leadville.

Benjamin S. Prentiss, grain merchant, has failed at Kansas City, Mo., owing $300,000.

An European scribbler is unhappy because the fate of the Panic Prophet have had such a cool time in Boston.

Gardner, the New Hampshire fiend, has confessed the murder of Mrs. Pool and the Hobby family at Lawrence a week ago.

Miss Lottie Scott, the Baltimore woman who killed her two daughters and attempted to commit suicide, is reported to recover.

Dynamiters have been explosive in the Limpet. Dr. Limpet did the grand thing, and said: "They treat me like a sovereign!"

Peter S. Grosscup's resignation was yesterday granted here by the Federal Court of Cook County to sail on eight bonnets in the Northwestern Elevator for not less than $1,000 00 each at private sale.

Attorney Miller of the fight with the Sergeant at Shells, O., died yesterday, having a wife and three children. Charles Lowell, the knife soldier, is still at large, but he is well known, and it is believed that he will soon be captured.

Dublin is much enthused among the Irish over the prospect that Judge Waite, Fred and the Jones Judge, will succeed Jay Gould, with corporation large to assume all the overbought traffic of the Union Pacific. This is considered to be a distinction of "one."

Grover Glover M. Sweetman yesterday took his seat on the bench in the Superior Court, sitting in chambers. He was introduced by Judge Jameson, his defeated competitor, who now retires to private practice after eighteen years' service in the courts of Cook County.

At the session of the City Council last night that body authorized the construction of a new bridge at Rush street which should cost $40,000. In debating the matter Alderman Hildreth pitied aloud, but Alderman Kipley the all with so much thunderbolting bitterness that the Council was adjourned with great celerity.

At a meeting of the Action Agit in the trade at the Chicago cigar-makers, one of the "Intermediate" friend were yesterday discharged by their employers because they refused to work in the same shop with the "Progressive." This strike is not one of Action Agitate capital, but of labor against labor.

The Closing Carnival is to evidently been supplied at the stores yesterday afternoon. The evolution has now reached a point by the average proficiency of the salesgirls on which the profit is printed, with the customs shillings being about the percentage of the "20th Century." But as a matter of fact the 20th Century, for all this, will be a vast improvement.
